

Clean Water Act 50th Anniversary Campaign

Suggested Social Media Posts

Updated: March 13, 2022

These suggested social media posts can be edited as needed. The links can be changed and photos and graphics added. Use hashtags #CWA50 and #CleanWaterAct50 and we will share your posts.

Twitter

Access to clean, safe water is a critical human right and climate change has proved to be an obstacle we must overcome. The first step to winning back our water is action! Learn more: <https://cwa50.org/> #CleanWaterAct50 #CWA50

Our #CWA50 campaign offers toolkits and resources to fight against the challenges of a changing climate. Working with communities, we host local events, uplift success stories, and advocate for clean water. Learn more: <https://cwa50.org/> #CleanWaterAct50 #CWA50

Too many communities are unjustly burdened by pollution. With the #CleanWaterAct50 campaign we are taking back our public waterways and returning them to our communities. Learn more: <https://cwa50.org/> #CWA50

The #CleanWaterAct50 campaign provides a platform for working waterfronts, farmers, poor communities, and people of color who are unjustly burdened by pollution. Act now to stop water pollution! <https://cwa50.org/> #CWA50

If you want to go fast, you go alone. If you want to go far, go together. Together, the community demands accountability, equal justice, and access to clean water. Protect our water! Learn more: <https://cwa50.org/> #CleanWaterAct50 #CWA50

Maryland has hundreds of facilities currently polluting our local waterways, endangering public health, and our drinking water. Join our grassroots efforts in holding corporations liable for the pollution they create! Learn more: <https://cwa50.org/> #CleanWaterAct50 #CWA50

Corporations should be held accountable for dumping toxins and waste. At a time of unprecedented greed and inequality, we must require corporations to be held liable for the pollution they create and regulate emerging contaminants. <https://cwa50.org/> #CleanWaterAct50 #CWA50

We urge Marylanders to hold their legislators accountable. Act now to support SB492/HB649 to improve enforcement of clean water permits! Learn more: <https://cwa50.org/> #CleanWaterAct50 #CWA50

The heroes of this story are you! Collectively, the community holds the power. Use your power to support SB492/HB649 to help protect communities and families against polluters and tax regulators. Learn more: <https://cwa50.org/> #CleanWaterAct50 #CWA50

Whether you call your local legislators, donate to organizations, or even volunteer for beach cleanups, you can make a difference. Get involved and help restore fishable and swimmable waters to everyone! Learn more: <https://cwa50.org/> #CleanWaterAct50 #CWA50

The time to act is now! We demand funding for flood mitigation, polluted runoff, sewage and clean water infrastructure, among other priorities. Learn more: <https://cwa50.org/> #CleanWaterAct50 #CWA50
